

INFORMATION ON COOKIES

<http://www.secretservice.viktor-rolf.com/>

1) What are Cookies ?

Cookies are small text files stored on your device (computer, tablet or mobile) when you are on the Internet, including on L'Oreal Group's websites.

We mainly use these Cookies on our sites in order to make your browsing more pleasant and to improve the use and the functionality of them; for instance, to recognize you on your next login and to offer you content tailored to your expectations and your interests.

We also use these files to perform traffic statistics and to determine how you discovered our sites.

2) Which Cookies do we use?

Depending on your device, we set up Cookies in particular to:

- identify you and learn more about you to offer you a personalized browsing
- ensure a secure browsing and fight against fraud
- offer you content related to your interests
- suggest commercial offers taking into account in particular your preferences and your latest purchases.

For more information on the Cookies used on this device, please click [here](#).

3) How to set up the Cookies through my Internet browser?

The settings from the Internet browsers are usually programmed by default to accept Cookies, but you can easily adjust it by changing the settings of your browser.

However, if you choose to disable the Cookies on your browser, you might not be able to benefit from all the functionalities offered by our websites.
